Will pac make the world to prevent this evil from happening god is threatened by betrayal, pacman and powerful army of his friends? Join the game will let you control PACMAN through many different screens with increasing difficulty. Pac-Man can swallow them and kill ghosts, which also gives a certain score. In addition to controlling Pac-Man by looking at a familiar side, there are also many game screens that you need to control from a third perspective. By Mad Loader - June 7, 2015 Pac-Man and Haunting Adventures is a big, bustling, action, adventure, and just plain infrequent starring three BFF teen characters that work together to keep their world free and safe. The story begins as the dangerous ghost escapes Uber's creepy Netherworld to invade Pac-Man and haunting adventures world. These frightening ghosts, vampires, and ghosts wreak havoc on the population and cause nothing but trouble wherever they go! Pac and his friends rise to the challenge of protecting their home and embarking on an epic battle. Pac and his team of friends fight with what they believe in for all their might: friendship, freedom, and future!
